INDEPENDENT AUDITOR'S REPORT

Board of Directors
Brock Hughes Free Clinic, Inc.
Wytheville, Virginia

We have audited the accompanying financial statements of Brock Hughes Free Clinic, Inc., a not-for-profit organization, which comprise the statements of financial position as of September 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brock Hughes Free Clinic, Inc. as of September 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

September 30, 2020

Note 1. Organization and Nature of Activities

Brock Hughes Free Clinic, Inc. (the “Organization”) is a non-stock, non-profit corporation that provides health services, including medical care, counseling, and education, to those residents of Wythe and Bland Counties who may not otherwise have access to such services.

Note 2. Summary of Significant Accounting Policies

Basis of financial statement presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and accrued liabilities.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

For purposes of reporting cash flows, the Organization considers all highly liquid investments purchased with an original maturity of three months or fewer to be cash equivalents. Cash is held in banks and is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per financial institution. At times, the balances in these accounts may be in excess of insured limits.

Patient accounts receivable

Patient accounts receivable are derived from patients who reside primarily in the Organization’s local geographical region. Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances, which are still outstanding after management has used reasonable collection efforts, are written off through a charge to the valuation allowance and a credit to patient accounts receivable.

Hospice fund account and payable

Hospice of Southwest Virginia is a service of Wythe County Community Hospital and is operated by Brock Hughes Free Clinic, Inc. Contributions made to this fund are deposited into the Hospice checking account and checks are written to meet the needs of hospice patients and their families.

Inventory

Prescription inventory consists of prescription medication and is stated at the lower of cost or net realizable value. Some prescriptions are purchased; however, most are donated to the Organization and are recorded at fair value at the time of the gift.

(Continued)

BROCK HUGHES FREE CLINIC, INC.

NOTES TO FINANCIAL STATEMENTS

September 30, 2020

Note 2. Summary of Significant Accounting Policies (Continued)

Grants

The Organization receives grants and contracts from state agencies as well as from private organizations, to be used for specific purposes. The excess of reimbursable expenditures over cash receipts is included in grants receivable. Grants receivable consists of the following as of September 30:

	<u>2020</u>	<u>2019</u>
Wythe-Bland Community Foundation	\$ 29,000	\$ 51,168
Virginia Association of Free & Charitable Clinics	24,357	32,019
Virginia Healthcare Foundation	<u>5,740</u>	<u>5,740</u>
	<u>\$ 59,097</u>	<u>\$ 88,927</u>

Deferred revenue

Deferred revenue represents amounts received on certain contracts from grantor agencies for which revenue recognition criteria has not been met. The liability will be reduced and revenue recorded when expenses are incurred in accordance with the grantor's requirements.

Classification of net assets

The accompanying financial statements present information regarding the Organization's financial position and activities according to two classes of net assets, differentiated based on the existence or absence of donor-imposed restrictions, which are described below:

Net Assets without Donor Restrictions are free of donor-imposed restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties. Revenues, gains, and losses that are not restricted by donors are included in this classification. Expenses are reported as decreases in this classification.

Net Assets with Donor Restrictions are limited in use by donor-imposed stipulations that expire either by the passage of time or that can be fulfilled by action of the Organization pursuant to those stipulations. Net assets with donor restrictions also includes amounts required by donors to be held in perpetuity; however, generally, the income on these assets is available to meet various operating needs.

Net patient service revenue

The Organization receives payments for services to certain patients under Medicare, Medicaid and commercial insurance as well as uninsured patients. Revenues are recorded at standard billing rates when the services are provided. Differences between the billing rates and amounts paid under these programs are recorded as contractual adjustments. Amounts earned under the programs are subject to review by third-party payors. In the opinion of management, an adequate provision has been made for any adjustments that may result from such reviews.

(Continued)

BROCK HUGHES FREE CLINIC, INC.

NOTES TO FINANCIAL STATEMENTS

September 30, 2020

Note 2. Summary of Significant Accounting Policies (Continued)

Net patient service revenue (Continued)

Payment arrangements include prospectively determined rates per-day, prospectively determined rates per-visit, discounted charges, and other payer specific arrangements, which may be established with a specific payer source globally or on a patient-specific basis. Net patient service revenue is reported net of contractual adjustments. Reimbursement for services from Medicare and Medicaid represents substantially all of the net patient service revenue of the Organization. The Organization also receives reimbursement for services from Commercial insurance and uninsured patients.

Contributions

Contributions, including unconditional promises to give or contributions receivable, are recognized as without donor restriction or with donor restriction support, depending on the existence and/or nature of any donor restrictions when the donor's commitment is received.

Conditional promises to give are not recognized until they become unconditional – that is, when the conditions on which they depend are substantially met. Contributions of certain assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. If necessary, an allowance for uncollectible contributions receivable is provided based upon management's judgment, including such factors as prior collection history, type of contribution, and nature of the fundraising activity.

Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of the net asset with donor restriction class, and a reclassification to net assets without donor restriction is made to reflect the expiration of such restrictions. In-kind contributions with donor restriction were reported net of in-kind expenses of \$459,877 and \$1,096,363 in 2020 and 2019, respectively.

Contributions of property and equipment without donor stipulations on the asset's use are reported as net assets without donor restrictions revenue. Contributions of cash or other assets to be used to acquire property and equipment, with such donor stipulations are reported as revenues of the net assets with donor restrictions class; the restrictions are considered to be released at the time the assets are placed in service.

Property and equipment

It is the Organization's policy to capitalize property and equipment acquisitions greater than \$10,000. Depreciation is provided over the estimated useful lives of the assets ranging from 3 to 39 years and is computed on the straight-line method. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose.

Maintenance and repairs are charged to operating expenses and major alterations and renovations are capitalized.

(Continued)

BROCK HUGHES FREE CLINIC, INC.

NOTES TO FINANCIAL STATEMENTS

September 30, 2020

Note 2. Summary of Significant Accounting Policies (Continued)

Functional expenses

The Organization allocates operating expenses on a functional basis among its programs and supporting services. Expenses that can be identified with a specific program or supporting service are allocated directly.

Advertising costs

The Organization expenses advertising as incurred.

Income tax status

The Organization is exempt from federal and state income tax under Section 501(c)(3) of the *Internal Revenue Code* and the tax statutes of the Commonwealth of Virginia; accordingly, the accompanying financial statements do not reflect a provision or liability for federal and state income taxes. The Organization has determined that they do not have any material unrecognized tax benefits or obligations as of September 30, 2020 and 2019.

Reclassifications

Certain reclassifications have been made to prior year amounts in order to conform to the current year presentation.

Recently issued accounting standards

In November 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-18, *Statement of Cash Flows (Topic 230) – Restricted Cash*, which requires that a statement of cash flows include the change during the period in the total cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. The Organization adopted ASU 2016-18 effective October 1, 2019. The Organization included cash and cash equivalents restricted for the Hospice fund in the restricted balance, and as such has adjusted the presentation of the statement of cash flows.

Subsequent events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through March 17, 2021, the date the financial statements were available to be issued.

At September 30, 2020, the Organization had received \$110,500 related to Provider Relief Funds made available by the CARES Act, which was enacted beginning March 27, 2020. On November 6, 2020, notice of forgiveness was received from the lender. Generally accepted accounting principles allow organizations to record revenue if conditions for forgiveness have been met, even though formal forgiveness has not yet been granted. Therefore for the year ended September 30, 2020, the Organization recorded \$110,500 of the PPP funds as COVID-19 relief funding with donor restrictions with a corresponding release from restriction to revenue without donor restrictions on the statement of activities.

BROCK HUGHES FREE CLINIC, INC.

NOTES TO FINANCIAL STATEMENTS

September 30, 2020

Note 3. Liquidity and Availability

Financial assets available for general expenditure without donor or other restrictions limiting their use, within one year of the balance sheet date, are comprised of the following:

	<u>2020</u>	<u>2019</u>
Cash and cash equivalents	\$ 257,263	\$ 73,138
Patient accounts receivable, net	13,616	16,019
Grant and other receivables	<u>59,097</u>	<u>88,927</u>
Total financial assets	330,051	178,084
Less amounts not available to be used within one year:		
Donor restricted assets	<u>37,487</u>	<u>26,049</u>
Total financial assets available to meet general	<u>\$ 292,564</u>	<u>\$ 152,035</u>

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Note 4. Patient Receivables and Net Patient Service Revenue

Patient receivables are reported net of allowances for amounts estimated to be uncollectible by reason of bad debt and contractual adjustments. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered.

The Organization is significantly dependent on revenues derived from services reimbursed by the Medicare and Medicaid programs. The following is a summary of net patient receivables at September 30:

	<u>2020</u>	<u>2019</u>
Medicaid	\$ 8,666	\$ 28,085
Medicare	2,195	-
Commercial	1,506	-
Self-Pay	3,469	-
Less – allowance for doubtful accounts	<u>(2,220)</u>	<u>(12,066)</u>
	<u>\$ 13,616</u>	<u>\$ 16,019</u>

(Continued)

BROCK HUGHES FREE CLINIC, INC.

NOTES TO FINANCIAL STATEMENTS

September 30, 2020

Note 4. Patient Receivables and Net Patient Service Revenue (Continued)

Substantially all of net patient service revenue was derived from the Medicare and Medicaid reimbursement programs, which began in 2020 and 2019, respectively. Net patient service revenue for the years ended September 30, 2020 and 2019 consists of the following:

	<u>2020</u>	<u>2019</u>
Gross patient service revenue		
Medicaid	\$ 213,630	\$ 112,614
Medicare	22,535	-
Commercial	12,907	-
Self-Pay	22,942	-
Less – contractual adjustments	<u>(51,193)</u>	<u>(6,658)</u>
	<u>\$ 220,821</u>	<u>\$ 105,956</u>

Note 5. Property and Equipment

Property and equipment consists of the following as of September 30:

	<u>Estimated Useful Life</u>	<u>2020</u>	<u>2019</u>
Land	–	\$ 67,100	\$ 67,100
Buildings and improvements	39 years	512,355	512,355
Furniture and equipment	3 – 10 years	42,878	30,080
Construction in progress	–	<u>-</u>	<u>6,330</u>
		622,333	615,865
Less – accumulated depreciation		<u>(116,710)</u>	<u>(99,870)</u>
		<u>\$ 505,623</u>	<u>\$ 515,995</u>

The land and building and improvements were purchased with donor funds restricted for use as an Organization. In the event the Organization ceases to operate, the assets revert back to the donor.

Note 6. Net Assets Without Donor Restriction

Net assets without donor restriction include the following:

	<u>2020</u>	<u>2019</u>
Amount to be used for future operations	\$ 216,474	\$ 195,354
Investment in property and equipment, net	<u>13,112</u>	<u>10,072</u>
	<u>\$ 229,586</u>	<u>\$ 205,426</u>

(Continued)

BROCK HUGHES FREE CLINIC, INC.

NOTES TO FINANCIAL STATEMENTS

September 30, 2020

Note 7. Net Assets With Donor Restriction

Net assets with donor restriction include the following:

	<u>2020</u>	<u>2019</u>
In-kind contributions of inventory	\$ 460,141	\$ 593,382
Building and improvement donations	<u>492,511</u>	<u>505,923</u>
	<u>\$ 952,652</u>	<u>\$ 1,099,305</u>

Note 8. Net Assets Released From Restrictions

Net assets are released from donor/grantor restrictions when expenses are incurred to satisfy the restricted purposes or by occurrence of other events as specified by donors. Restrictions were satisfied as follows for:

	<u>2020</u>	<u>2019</u>
In-kind professional services and prescription medications	\$ 1,443,007	\$ 2,717,054
Less: cost of goods sold	<u>(459,877)</u>	<u>(1,096,363)</u>

The Organization has elected not to record various donated pharmaceuticals from the Medication Assistance Program. The Program donations are for specific patients and are treated as an agency transaction with the Clinic acting in an intermediary capacity. The Clinic estimates the retail value of these prescriptions received and delivered during the years ended September 30, 2020 and 2019 to be approximately \$1,560,000 and \$1,460,000, respectively.

Note 9. COVID-19

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus (the “COVID-19 outbreak”) and the risks to the international community as the virus spread globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

NOTES TO FINANCIAL STATEMENTS

September 30, 2020

Note 9. COVID-19 (Continued)

The full impact of the COVID-19 outbreak continues to evolve as of the date of this financial report. As such, as to the full magnitude that the pandemic will have on the Organization's financial condition, liquidity, and future results of operations is unknown. Management is actively monitoring the impact of the global situation on its financial condition, liquidity, workforce, suppliers, and residents. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Organization is not able to estimate the effects of the COVID-19 outbreak on its financial condition, liquidity, or results of operations for fiscal year 2021. However, management has taken actions to minimize the extent of any impact of the COVID-19 outbreak on the Organization.
