## Jerry Hurt

Jerry was a pillar in this community. He graduated from Rural Retreat High School, Wytheville Community College, Virginia Tech, and received his MBA from the West Virginia College of Graduate Studies (WVU). He began his professional career with the Mining and Metals Division of Union Carbide Corporation, which later became Elkem Metals USA, where he served as president. Later, Jerry specialized in the development and diversification of numerous small business ventures. He retired from Starck Van Lines (Pittsburgh) in 2014 after serving as CEO. Upon retirement, Jerry returned to the town he loved, Rural Retreat, VA, and the extended family he treasured. He contributed his time, talents and money to churches, the community, foundations, boards, civic organizations and individuals throughout Wythe County. A successful businessman, he led with intelligence and kindness, garnering respect along the way.

Jerry was very passionate in his work for the Brock Hughes Medical Center. At the time of his death in December 2018, he was serving on the Board of Directors as Treasurer and spearheading a golf tournament to raise funds for the Clinic.

The Brock Hughes Medical Center has been providing health care to the uninsured and low-income residents of Wythe and Bland Counties since 1995. The clinic is named for the late Dr. C. Brock Hughes who was a much-admired member of the medical community. The clinic gained 501c 3 non-profit status in 2004.

The Clinic could not continue to provide much-needed medical and pharmaceutical services to the underserved in our community, if not for our major funders, private donors, and fundraising dollars. The clinic does not receive any federal or state funding.

Thank You in advance for supporting this event that will benefit the Clinic, and keep the memory of such a loyal, reliable, and hard-working "family" man alive.
